## GENERATIONS—PART 2

### ICE-BREAKER

1. Think back to your growing up years. Who is someone who believed in and invested in you (parent, relative, teacher, coach, etc.)?

### GOING DEEPER

2. Look back at the passage we began our Generations series with in Psalm 78:4–7. How would you summarize how these verses should shape a church's vision?
3. Talk about the challenges and opportunities you see in being a multi-generational church.
4. What's the difference between a church that's Christ-centered versus a church that is people-centered? What would some evidences be of that?
5. Read through the list of exhortations given to the Church in Romans 12:10–18. Do you see these lived out in our local church? What role have you personally played in that? Where are you failed? Where have you been faithful?
6. What are one or two tangible things you can do right now to help reach the next generation?

### ACTION

7. Spend some focused time in prayer. Pray for the next generation to be reached with the hope and love of Jesus. Pray for New Hope Church to be united in love and in mission.
