- Yearly tuition is based on the number of days the class meets and then divided into nine equal payments for your convenience. The payment remains the same each month, regardless of the number of class days in the month, as holidays and other school closure days have already been factored into the tuition rate.
- The registration fee of \$75 is non-refundable.
- The deposit confirms enrollment and is applied to the May 2024 tuition. This deposit is refundable until July 1, 2023.
- Monthly tuition is paid by automatic fund transfer using the payment option of your choice: Checking account, bank ACH, debit card or credit card. **Note:** Credit card transactions generate an additional service fee.
- We ask that families commit to the entire school year but recognize that circumstances change. Should a student need to withdraw mid-year, we require a minimum of 30-day notice in writing, on or before the 1st of the month. For example, a child leaving on February 15 must give notice by January 1.
