

# TITUS GOSPEL AS CENTER

August 7, 2016

God's Centerpiece || Titus 1:1-4 || Pastor Jeremy Deck

## DISCUSSION questions

1. Talk about a memorable letter you received. In what ways was it encouraging, instructive, helpful or challenging?
2. When Pastor Jeremy uses the word "gospel," to what is he referring? After discussing this, read 1 Corinthians 15:1-6 and compare your answers with the definition that the Apostle Paul gives there.
3. Discuss the relationship between "faith" and "knowledge" mentioned together in Titus 1:1.
4. What are today's practical implications in *Jewish Paul* calling *Gentile Titus* his "true child in a common faith?"
5. What are areas in your life where you find yourself relying on your own experience, abilities and knowledge? How can you move (both in your thinking and in your actions) from self-reliance to a reliance on Jesus and His completed work on the cross?
