WHY MINNEAPOLIS?

Christians are called to live on mission every day, not just for a week or two in the summer when they are on a mission trip. There is a great spiritual need in the city and suburbs of Minneapolis; our home. With the number of churches in our community this should not be the case. Students will have opportunities to discover ministries already at work around us and have a chance to meet the needs in our community by serving others and pointing them to Jesus.

WHAT WILL MY STUDENT BE DOING?

We will be together for 3 days and 2 nights. Students will spend one day serving locally through NHC ministries like our Food Shelf. We'll spend a day focused on the city where we'll partner with Gospel Life Church to serve and reach out to their local community. For the Global focus day, we'll be partnering with the Freedom Truck to raise support and awareness for ministries that fight human trafficking.

In our evenings and mornings together, we'll be in God's word focusing on God's call to "go" and His empowering Spirit which makes it possible. Students will also be challenged to take responsibility for themselves. This will include taking turns cooking meals, cleaning up, packing lunches, cleaning the facility, and spending time in God's word and then sharing about that time with the group.

WHERE IS MY STUDENT SLEEPING AND WHAT SHOULD THEY PACK?

Packing list and Itinerary will be made available closer to the dates of the trip.

WHAT ARE OUR OPTIONS FOR FUNDRAISING?

Student Ministries wants to come alongside your family as you send your student to Minneapolis this summer.

- **Kitchen Fundraising:** Working for events in the main campus kitchen can add up. Every little bit counts! Look for information coming soon about the next kitchen training.
- **Support Letters:** Writing and sending support letters to your family and friends is a great way to share with them your plans for the summer and also ask for financial/prayer support. If you decide to go this route, contact Tracy Maas after you've registered and we will send out an official support-raising packet to help you with this process.
