CONNECT

1. What has stood out to you from our *Glimpses of Heaven* series this month? In what ways has God challenged or changed you?

CELEBRATE

2. The scene in heaven described in Revelation 4–5 closes with the declaration, “Amen!” What does this word mean?
3. Look at how the word “amen” is used in Deuteronomy 27:14–26 and Nehemiah 8:5–6. What’s the significance of a community declaring it together?
4. Look back at the songs from this series: Revelation 4:8, 4:11, 5:9–10 and 5:12–13. What are the main ideas of each?
5. Think about the followers of Jesus you’re connected to (those in your group or beyond). Whose life declares or reflects an “amen” to one of these songs? In what ways?
6. Take a few minutes to self-reflect. If someone were to objectively observe your life over the past few months, what kinds of things would they say your life affirms or demonstrates?

CONTRIBUTE

7. As you consider the heavenly truths declared in the songs of Revelation 4–5, what would it look like for your life to represent an “amen” to them? Be specific for each song.
8. Pray together for one another about the things shared. Pray for New Hope Church—that these truths would be reflected in our lives.
