

DISCUSSION questions

1. What's your earliest childhood memory?
2. Read Psalm 68:5-6. Who comes to your mind or what situation do you think of when you read this passage?
3. What was a new insight you gleaned from Sunday's message? Something related to the extent of the need? An insight from the Scriptures? An enlarged perspective on the character of God?
4. On a scale of 1 - 10, what's the temperature of your heart in regard to the fatherless? What would it look like for your heart to be moved higher on the scale?
5. Pray for God to work in us, moving us to prayer and action as a church family as we hear from the Word about His heart for the fatherless. Ask God to open your own heart.
