Discussion Questions

1. What stands out to you from the Philippians series? In what ways has God challenged, shaped or directed you?
2. Read again how God supplied the Apostle Paul's needs through the Philippians in verses 10, 14-18.
 - When has God supplied for you through the generosity of others?
 - What might be a situation that God could use you to be a supplier?
3. In verse 15 the Apostle Paul talks about the incredible value of partnership with the church, both in giving and in receiving. In what ways do you lean more toward one over the other? What would a step forward be for you in each direction?
4. Read verses 11-13, 19-20. The Apostle Paul makes it clear that in Christ contentment is possible in any and every circumstance.
 - What are you facing right now? Is it abundance or adversity?
 - What needs to change in your desires or your posture toward Christ for you to find greater contentment?
