

Five Rocks for the Generous Disciple

1 Samuel 17:40 || Pastor Matthew St. John || September 24, 2017

Discussion Questions

1. Honestly, what are your hang-ups about a pastor preaching about money?
2. Frugality can lead to stinginess or greater generosity. What are the heart issues that lead to one or the other? What are practical expressions of either?
3. Read Philippians 4:14–20. In what specific ways did the generosity of the Philippian church bless the Apostle Paul and spur on the spread of the gospel? How does the context in this passage reshape your understanding of (the often misused) verse 19?
4. Share humbly: What are your current financial giving habits? In what ways could you grow in faithful giving for the glory of God?
5. Read 1 Chronicles 29:6–18. Pray together for your hearts to be directed toward God in generosity.
